

## Observation Bingo (Upland)

2 different rock types present	Evidence of weathering	Low lying species (e.g. heather)	Arete / Pyramidal peak	Walkers / Hikers
Mountain bikers	Pastoral farming	Stream	Evidence of mass movement	Corrie
Open water sports / pastimes (e.g. fishing)	Water storage or abstraction	Mining and extractive industries	Honeypot site	Viewpoint
Road with a steep gradient	Moss ground cover	Tourism information point	Conservation and land management practices	Area of high interception rates
Area of high infiltration rates	Evidence of protected status	Footpath junction	Litter	U shaped valley
