

Make an honest assessment of how you have worked independently. Only tick the box if the statement is true.

I have chosen the area of the specification which most interests me	<input type="checkbox"/>
I have found my own sources of information to read about my chosen topic	<input type="checkbox"/>
I have come up with my own research title	<input type="checkbox"/>
I have come up with my own sub research questions	<input type="checkbox"/>
I can see why these questions are geographical and meaningful	<input type="checkbox"/>
I have chosen the precise location(s) for my data collection	<input type="checkbox"/>
I have chosen the precise timings of my data collection	<input type="checkbox"/>
I have designed my own data recording sheets	<input type="checkbox"/>
I have chosen the sample size for my data	<input type="checkbox"/>
I have chosen the sampling technique for my data	<input type="checkbox"/>
I have decided which elements of my data collection will be collected /presented through GIS	<input type="checkbox"/>
I have chosen the equipment needed for my data collection	<input type="checkbox"/>
I have chosen the frequency of measurements / observations	<input type="checkbox"/>
I have considered the ethical and moral aspects of my research and addressed them	<input type="checkbox"/>
I have chosen a range of data presentation techniques myself	<input type="checkbox"/>
I have designed my own data presentation technique	<input type="checkbox"/>
I have chosen how to statistically analyse the data	<input type="checkbox"/>
I understand the benefits of using this particular statistical test	<input type="checkbox"/>
I have analysed my data on my own	<input type="checkbox"/>
I have attempted to answer my research questions on my own	<input type="checkbox"/>
I have drawn geographical conclusions from my data	<input type="checkbox"/>
I have commented on the reliability and validity of my conclusions	<input type="checkbox"/>
I can see a way to extend the study	<input type="checkbox"/>
I have checked the study personally for use of geographical vocabulary	<input type="checkbox"/>
I have checked the study personally for errors in spelling, punctuation and grammar	<input type="checkbox"/>
I have not plagiarised another student, a textbook, a print source or an online source	<input type="checkbox"/>
