

Observation Bingo (Rivers)

| | | | | |
|-----------------------|-----------------------------|--------------------------------|-----------------------------|-----------------------------|
| Slip off slope | Braiding | Undercutting | River cliff | Confluence |
| Spherical sediment | Soft engineering protection | Evidence of pollution in water | Disc-shaped sediment | Leaf litter disrupting flow |
| Eddy | Outflow / Drainage pipe | Bridge | Waterfowl | Smell of methane |
| Fly tipping | Water abstraction | Past flood marker | Hard engineering protection | Algal growth |
| Habitat in river bank | Jetty | Recreational use | Farming on floodplain | Interlocking spur |
